

PREFACE

The songs in this book are collected with the aim of helping Vietnamese Catholic communities in finding songs for English liturgical celebrations, and from harmonized songs for common use at the following resources:

1. Musica Sacra - Church Music Association of America

We would like to appreciate the associations who have songs which are used in this book. While every effort has been made to respect copyright as far as possible, it may be that some omissions or mistakes have been made unintentionally, for which we apologise. These will be corrected in future editions.
